FIREMEN ASK 25% INCREASE IN SALARY

Further Increases For Position, And Longevity Are Included

City Firemen attended the City Council meeting last night in a body to ask for raises of up to 25 per cent of present salaries.

Fire Chief Flavell Robertson presented the requests of the firemen. He read a letter which asked that the minimum salary of a beginning fireman be raised to the minimum salary as set by congress for many areas of business and that other salaries be raised accordingly. They also asked that firemen be paid for longevity.

Attached to the letter were petitions which the letter indicated had been signed by 1530 citizens of Murray.

The petition read that those who signed the document desired that the salary of city firemen be raised to equal the level of salaries

of area trades and crafts, that longevity be paid and that various positions in the fire department be rewarded accordingly.

Mayor Ellis indicated that possibly those persons signing the petition did not realize that city firemen get one day off each two weeks, that they had vacations of 21 days and that they could accumulate sick leave of up to 30 days.

Mayor Ellis said that the request would be handled in the routine way with it being referred to the Fire Committee, the Mayor and the Finance Committee.

Paul Jerry Lee, speaking for the firemen told the council that the request is for next year. He said

Robert Schell Will Be Speaker For World Outreach

Robert Schell, acting director of the Purchase area Economic Opportunities Council, will be guest speaker Sunday evening at 6:30 for the third session of the School of World Outreach to be held in the First Christian Church.

Mr. Schell will discuss the Economic Opportunities Program being sponsored by the Council in McCracken, Graves, Hickman and Calloway counties.

The program will conclude with a panel presentation. Panel participants will be representatives of the Calloway County Council on Economic Opportunities.

The four-program series of World Outreach is sponsored jointly by the First Methodist and First Christian churches. The school's theme is "Affluence and Poverty — The Christian's Dilemma".

The City Police was also notified of a jail break at Bardwell last night. James Chastelman, white, age 35, 5 feet 9 inches tall, weighing about 165 pounds, brown hair, brown eyes, and wearing a blue shirt and pants escaped from the jail. Police said Chastelman was being held in the Bardwell jail for the authorities at Trenton, Tenn., on a charge of jail breaking three. Chastelman is reported to be from Trenton, Tenn.

Mrs. Harlan Hodges Will Review Book At Zeta Meeting

The Zeta Department of the Murray Woman's Club will present a Book Review on Thursday, November 17th at 8:00 p.m. at the clubhouse. Mrs. Harlan Hodges will review "The Gospel According to Peanuts", by

MSU Home Economics Chapter Plans Dinner

The Murray State University Home Economics chapter banquet will be held Wednesday, November 16, at 6:30 p.m. at the Murray Woman's Club House.

Miss Clara Eagle, head of the Art Department at Murray State, will be the speaker and her discussion topic will be "The Far East".

Tickets are \$1.55 per person and may be obtained by calling Cheryl Shook at 763-7946 or Beverly Shelton 763-4382. All alumni are especially invited to attend the banquet.

Sigma Department Of Murray Woman's Club Pays Off \$7,000 Note; Public Is Thanked

By Sigma Department Murray Woman's Club

The generosity and support of the citizens of Murray and Calloway County coupled with the dedication and long hours of hard work by its members over the past two years have made a dream come true for the Sigma Department of the Murray Woman's Club. The dream... from the beginning twelve years ago, when a group of young women, most of them mothers with pre-school children, met to organize the Sigma Department, was the establishment and the equipping of a permanent kindergarten. The kindergarten was to be non-profit and open to all who wished to attend. It was the belief of these mothers that Murray at that time was in dire need

of such a school not merely to provide needed pre-school training but to enrich that all important fifth year of a child's life. For eight years thereafter the Sigma Kindergarten became known as the "oldest, established, permanent, floating kindergarten in the State of Kentucky". The College Presbyterian Church provided the

Two Leave Saturday For Utah Meeting

Dr. and Mrs. Virgil Ebertson, local chairperson and wife, will be leaving for Salt Lake City, Utah, Saturday afternoon for a chiropractic meeting in Salt Lake City at the Prudential Building.

Dr. Ebertson's office will be closed Monday and Tuesday of next week, but the office will be open next Thursday. Dr. Ebertson is participating in a pre school free children's spinal checkup clinic as a member of the Life Foundation.

Retired Instructor Suffers Injuries

Dr. R. A. Johnston of Murray was hospitalized at the Fulton Hospital with injuries suffered in a car-truck accident about six p.m. Monday on the East State Line, about a mile east of Fulton. The Murray man who is a retired professor of chemistry from Murray State, is suffering from multiple lacerations and bruises. His condition is satisfactory.

It is reported that Johnston was alone in his car and was traveling east toward Dicksboro, Tenn. The truck was turning into a driveway when the two vehicles collided. The driver of the truck, whose name was not learned, was not injured.

Importance Of Good Vision Is Told

The W. Z. Carter School Parent-Teachers Association heard a talk on "The Importance of Good Vision To Learning" by Dr. James Byrn at Thursday's meeting held at the school.

Dr. Byrn was introduced by Mrs. Bobby McDougal, program chairman.

Members were welcomed by Mrs. Junior Giersten, PTA president, and announcements concerning Carter's Magazine Drive were made by Mr. Dennis Taylor, principal. Mr. Taylor stated that the drive began on Thursday, November 10, and will conclude at 6:30 a.m. Friday, November 18. Money from the school's share of the sales will be used for improvements in the Carter library.

The attendance banner and prize were awarded to Mrs. Elliott Weaver's first grade class.

A devotion was presented by the fifth grade classes. Members of the sixth grades gave the musical portion of the program. A question and answer period followed Dr. Byrn's talk.

Harold Douglas To Lead WOW Camp 592

Murray WOW Camp 592 named officers for the year 1967 at their regular monthly meeting yesterday.

Harold Douglas was elected president of the camp and Earl Tucker, vice-president. Allen Rose is retiring president of the camp.

Other officers are Harold Hurt, treasurer; T. C. Coble, Book; Wilma Othman, secretary; Walton Stallons, watchman; Wendell Lovett, musician; L. C. Hendon, secretary; and trustees Harold Douglas, Aubrey Willoughby, and Lester Nanny.

Hendon has been secretary of the camp for the past thirty-five years.

New officers will be installed on December 8.

Charles Outland Is Fraternity Pledge

Charles Hugh Outland, Route One, has been installed as a pledge of Alpha Psi Omega, service fraternity at Murray State University.

Outland is a sophomore majoring in industrial arts.

Seen & Heard Around MURRAY

Opened a can of potatoes the other night, you know the little whole potatoes which are canned in water or something. The can was rusted in a little and when we started opening it, the water shot out of the can and went all over the front of our shirt.

We thought that this was uncalled for.

Seems like things like that happen when you have the least. (Continued On Page Five)

Miss Brinda Smith Is Speaker Thursday For Hazel Woman's Club

Miss Brinda Smith of the physical education department of Murray State University was the guest speaker at the meeting of the Hazel Woman's Club held Thursday evening in the Woodmen Hall.

The speaker gave a very enlightening and touching talk on the "Mentally Retarded". She said there are more than 5 1/2 million mentally retarded persons in the United States and that a retarded child is born every five minutes.

Miss Smith listed a few of the many causes of mental retardation. She praised the work being carried on in the two special

Vernon Anderson and his daughter Gayle were injured about noon today when their car, pictured above, was struck broadside by another car. The accident occurred at Olive and 16th streets. Photo by E. Warren and C. Tynan

Two Injured In Accident Yesterday

Mrs. Martha K. Galloway and her seven year old son, Jackie, were injured in the automobile accident that occurred yesterday at 5:30 p.m. on 12th Street, according to the report filed by the investigating officers, Patrolmen Bill McDougal and Dale Spann of the Murray Police Department.

Mrs. Galloway was admitted to the Murray-Calloway County Hospital and is reported to have abrasions and contusions of both knees, chest, and abdomen, according to the report. (Continued On Page Five)

Dr. W. E. Blackburn Will Be Speaker

Dr. W. E. Blackburn, director of the Chemistry Department of Murray State University, will be the guest speaker at the dinner meeting to be held by the Kentucky Lake Chapter of the Kentucky Society of Professional Engineers at Poirer's Restaurant, Paducah, on Monday.

"Engineering and Graduate Education Sciences at Murray University" will be the subject of Dr. Blackburn's talk. A social hour will begin at 6:30 and the dinner will start at seven p.m.

All members of the KSPPE are invited to attend the meeting. Members of the American Chemical Society, American Institute of Chemical Engineers, and any other interested group also are invited.

Three Injured In Accident Today At Noon

Vernon Anderson and his daughter, Gayle, of Murray and George Rice of Madisonville were injured today at 11:45 a.m. in a two car accident on North 16th Street, according to the investigation by Patrolmen H. E. Wilson, Martin Wells, and Jimmy Garland of the Murray Police Department.

Anderson was reported to have bruises and broken ribs and his daughter, Gayle, a nursing student at Murray State University, had a bump on the head. Both were taken to the Murray-Calloway County Hospital by ambulance. Anderson is with the business department of Murray State.

Rice was reported to have a bump on the head and a bit on his right leg and was going for further check by the doctors.

Police said Anderson, College Farm Road, driving a 1964 Chevrolet four door sedan, was pulling out of the driveway of the education building at the University on

Ten Years Ago Today

LEDGER & TIMES FILE

One Murray State student, Michael Corne of Hopkinsville, was killed last night and another, Steven Kennedy of Runnemead, New Jersey, was injured when their automobile apparently went out of control at the curve just south of the 95 Drive-In Theatre and overturned.

Miss Ann Fulwell, daughter of Mr. and Mrs. John R. Fulwell, senior at Murray Training School, has been named the winner of the Murray Junior Chamber of Commerce Voice of Democracy Contest, which was open to all 10th, 11th and 12th grades in the county.

The funeral for Mrs. Charlie Moody of Buchanan, Tenn., was held today at the New Liberty Church of Christ.

Miss Shirley Geurin, daughter of Mr. and Mrs. Eugene Geurin, is a student at Georgetown College, Georgetown, Ky.

Second Lt. David L. Pinson has been assigned to the 2nd Regiment of the U.S. Army (Infantry) Training Center at Fort Dix, N.J. He is married to the former Barbara Jean Watkins of Murray.

A Bible Thought For Today

Brethren, if a man be overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness.

It is easier to condemn than to forgive. — Galatians 6:1.

The Almanac

by United Press International
Today is Friday, Nov. 11, the 315th day of 1966 with 50 to follow. This is Veterans Day, formerly known as Armistice Day. The moon is between its last quarter and new phase.

The morning stars are Mars and Jupiter.

The evening star is Saturn.

Abigail Adams, wife of President John Adams, was born on this day in 1744.

On this day in history:

In 1918, fighting in World War I was halted with the signing of the Armistice. Also in 1918, Polish independence was proclaimed.

In 1921, President Warren Harding dedicated the Tomb of the Unknown Soldier in Arlington National Cemetery.

In 1965, a United Airlines Boeing 727 jetliner crashed and burned while landing at Salt Lake City, killing 42 of 90 persons aboard. It was the second crash of a 727 in a four-day period.

Also in 1965, White-rumped Rhodessa in Africa seized its independence from England. Britain declared the action treasonable, and illegal, and announced a series of economic sanctions.

A thought for the day — President Woodrow Wilson said: "Only by a peace between equals can last."

with citizens? How much do we "vex" them?

In most respects, they have the same right to live in physical safety, to exercise freedom of speech, press, and religion.

They have the same guarantee against double jeopardy, self-incrimination, cruel or unusual punishment, the taking of their property without due process of law.

And they have the same duty to obey traffic laws, to live up to their contracts, to pay income taxes.

Nevertheless, they may lawfully be set apart in ways logically related to their lack of citizenship.

Thus, aliens are denied the right to vote. For, traditionally, the power of the ballot belongs only to those who, by birth or naturalization, are members of the nation's political partnership.

What about earning a living? Here, too, discrimination based on racial grounds is lawful. For example:

A law banning aliens from the liquor trade was held valid, because that occupation has a potential relationship to crime. The court said lawmakers might reasonably expect less regard for our laws from aliens, who do not share in the governing process, than from citizens who do.

On the other hand, an effort to keep aliens out of the laundry business was held unconstitutional. The court could not see any peril to the public welfare in the mere doing of laundry by aliens. Pointing to the "equal protection" clause of the Constitution, the court said:

"The Fourteenth Amendment is not confined to the protection of citizens."

Share in the governing process, then from citizens who do.

On the other hand, an effort to keep aliens out of the laundry business was held unconstitutional. The court could not see any peril to the public welfare in the mere doing of laundry by aliens. Pointing to the "equal protection" clause of the Constitution, the court said:

STRANGERS IN OUR MIST

"And if a stranger sojourn with thee in your land," says the Bible, "ye shall not vex him."

More than 3,000,000 resident aliens sojourn with us in our land. Inevitably, they are subject to various rules pertaining to their special status — rules about immigration, registration, naturalization, and deportation.

But what about their everyday activities? Legally, how do resident aliens stand in comparison

with citizens? How much do we "vex" them?

In most respects, they have the same right to live in physical safety, to exercise freedom of speech, press, and religion.

They have the same guarantee against double jeopardy, self-incrimination, cruel or unusual punishment, the taking of their property without due process of law.

And they have the same duty to obey traffic laws, to live up to their contracts, to pay income taxes.

Nevertheless, they may lawfully be set apart in ways logically related to their lack of citizenship.

Thus, aliens are denied the right to vote. For, traditionally, the power of the ballot belongs only to those who, by birth or naturalization, are members of the nation's political partnership.

Miss Genevieve Humphreys Becomes Bride
Of William Clayton Adams, Jr., In
Ceremony At The First Baptist Church

Mr. and Mrs. William Clayton Adams, Jr.

The wedding of Miss Genevieve Humphreys, daughter of Mr. and Mrs. Duell Thomas Humphreys, and William Clayton Adams, Jr., son of Mr. and Mrs. William Clayton Adams, Sr., was solemnized Friday, October 28, at seven o'clock in the evening in the sanctuary of the First Baptist Church.

Dr. H. C. Chiles, minister of the church, performed the impressive double ring ceremony. A program of musical organ music was presented by Miss Jane McDonald of Cadiz, security sister of the bride. The meaningful message in song was presented by Mrs. John Bowker, vocalist. The selections included "God Gave Me You" and "Overstressed."

The vows were exchanged before the altar which was decorated with five tall seven branch candelabra. White tapered candles, leather leaf greenery, and white shag moss adorned the candelabra and were accented with white satin bows and streamers.

The center candelabra arrangement featured a white heart with two white lovebirds accented in gold. The unlighted candle in the center of the candelabra was lighted by the couple symbolizing unity. The bride and groom, then knelt for prayer led by Dr. Chiles. They remained kneeling while Mrs. John Bowker sang "O Perfect Love" as a continuation of the prayer.

Bride's Dress

The bride, given in marriage by her father, was very honored to wear the traditional wedding gown of her cousin, Mrs. E. C. Burdette, Jr. The full length gown was of magnolia imported Chantilly lace poised over matching taffeta, fashioned with a scoop neckline and fitted princess style waistline. The long fitted lace sleeves petal pointed over the wrist and the neckline was accented with scallops of lace trimmed with iridescent sequins and seed pearls. The very full skirt of unpressed pleats extended into a court train.

Her full bouffant veil, of imported Elitron was elbow length and was attached to a pill box fashioned of Chantilly lace with iridescent sequins and seed pearls. She carried a white Bible, gift of the groom, covered with white silk. Pearls outlined and centered a pearl heart. Modern tailored exotic bouquets of white roses accented the main covered Bible. The gold wedding ring of the bride's maternal grandmother was tied in the lover's knots.

Attendants

Mrs. Ronnie Roberts was the bride's matron of honor and Miss Marion "Becky" Bell her maid of honor. The bridesmaids were Miss Cindy Humphreys, sister of the bride, and Miss Judy Adams, sister of the groom. All attendants wore identical formal gowns of

Social Calendar

Friday, November 11
Omeo Youth Circle of First Presbyterian Church will meet at 7:30 a.m. in the church parlor with Mrs. A. W. Simmons, Jr., hostess.

The North Murray Homemakers Club will meet at the home of Mrs. K. T. Crawford at 1:30 p.m.

Saturday, November 12
A bachelorette party will be held at the Hazel Electric Company starting at nine a.m., sponsored by the Woman's Society of Christian Service of the Hazel Methodist Church.

The Captain Wendell Oury Chapter of the Daughters of the American Revolution will have a buffet luncheon at the Holiday Inn at 12:30 p.m. with Mrs. Leon Ogram and Mrs. P. A. Hart as business. Mrs. Roy C. Nestor will be guest speaker. Guests will be members of the Hopkinsville and Paducah chapters.

The Calhoun Wranglers Riding Club will have a business meet at seven p.m. at the court house. All members are urged to attend.

The Dorothy Moore Circle of the First Presbyterian Church women will meet at the home of Mrs. Rosey McKee with Mrs. Zeffie Woods as assisting hostess at 7:30 p.m.

The Business Guild, Group V, of the First Christian Church CWF will meet with Mrs. C. S. Lowry at 7:30 p.m.

Gemma Gamma Chapter of Beta Sigma Phi will meet with Mrs. Judy Hine at seven p.m.

The South Pleasant Grove Homemakers Club will meet at the home of Mrs. Stanley Ogram at one p.m.

The Maple Bell Hays Circle of the First Methodist Church WSCS will meet at the church at 7:30 p.m.

The Sigma Department of the Murray Woman's Club will meet at the club house at 7:30 p.m. Hostesses will be Mesdames A. W. Simmons, Jr., Fred Wells, Chad Stewart, Joe Ryan Cooper, Virgil Harris, and Leonard Whitmer.

The Theta Department of the Murray Woman's Club will meet at the club house at 7:30 p.m. with Mrs. Ray Brownfield, Mrs. Cliff Campbell, and Mrs. Harold Ogram as hostesses.

Tuesday, November 15
The Faith Dorcas Circle of the First Methodist Church WSCS will meet at the home of Mrs. Isaac Autry Farmer with Mrs. Isaac Clayton as hostess at 2:30 p.m. Mrs. L. E. McSwain will be program leader.

Circle I of the First Methodist Church WSCS will meet at the social hall at two p.m. with Mrs. Claude Farmer, Mrs. J. T. Wallis, and Mrs. Hattie Purdon as hostesses. Mrs. E. A. Lundquist is program leader.

Murray Assembly No. 19 Order of the Rainbow for Girls will meet at the Masonic Hall at seven p.m.

The Christian Women's Fellowship of the First Christian Church will meet at the church at 9:30 a.m. with Group IV as business. Mrs. Harlan Hodges will have the program.

The Woman's Missionary Society of the First Baptist Church will meet at the church at 9:30 a.m. with Circle I in charge of the program.

The Music Department of the Murray Woman's Club will meet at the club house. Hostesses are Mesdames Richard Farrell, William Ferguson, David Gowan, Chas. Griffin, Clyde Johnson, Rob-

Her Hubby's Got the 7-Year Itch

By Abigail Van Buren

DEAR ABBY: My husband is in the retail business. I am strictly a wife and mother. There is a very attractive woman who comes to town and calls on my husband for business reasons. She stays at the hotel for several days at a time. When she's in town my husband doesn't even know he has a family. He has all his meals with her and keeps ridiculously late hours. This woman is married, has a family and is about 10 years older than my husband. Her husband must trust her implicitly to let her travel the way she does.

My husband seems "preoccupied" lately, and is considerably less romantically inclined. We've been married for six years and were very happy—until now. Do you believe in a woman's intuition? Or am I unjustly suspicious? I need advice, er Johnson, and Albert Tracy.

The Hobby Show and Bake sale will be held by the Music Department of the Murray Woman's Club from 12 noon to six p.m. at the club house.

Wednesday, November 16
The Murray State Home Economics chapter banquet will be held at the Woman's Club House at 6:30 p.m. with Miss Clara Eagle as guest speaker. Call Cheryl Sweeney 753-4296 or Beverly Shotton 753-4296 for tickets. All alumni are especially invited.

The Wadsworth Homemakers Club will meet at the home of Mrs. Lowell Palmer at one p.m.

The WSCS of Coles Camp Ground Methodist Church will meet at the home of Mrs. Fred Lewis at seven p.m.

DEAR LUMP: Your husband appears to have a premature case of seven-year-itch. Don't scratch the "evidence." Let him know you're jealous, suspicious, and unwilling to put up with any philandering.

DEAR ABBY: We need help desperately! Last summer a new family moved into our neighborhood which is in one of the nicer suburbs of this city.

These people are a disgrace! They let their yard go until the weeds were nearly three feet tall. They haven't washed their windows since they moved in. They have dogs, which they have trained to use everyone's yard but their own. And to top it off, they hang their wash in their LIVING ROOM WINDOW! They have no discretion, and it can be seen from the street.

This is a high class, respectable neighborhood, Abby. Everyone else takes pride in his house and yard. What can we do with people like this?

SICKENED NEIGHBORS

DEAR NEIGHBORS: First, call on these neighbors and rectify your complaints directly to them. If that doesn't bring results, ask a lawyer if these people have a right to impose that kind of eyesore and inconvenience (the dogs!) on their neighbors. The lawyer's fee could be split up among the offended neighbors, and might be well worth it.

DEAR ABBY: If baby-sitters ever form a union, these rules should be included:

(1) Time and a half for people who come home later than they say they will. (I don't mind if

Woman's Society Of New Hope Church Meets Wednesday

The Woman's Society of Christian Service of the New Hope Methodist Church met in the home of Mrs. Dave Burken for an all day meeting held Wednesday, November 9.

Mrs. J. C. Dunn presented the program of "Bringing Life Abundant" in the morning. She gave the call to worship and the group sang "Jesus Calls Us". Prayer was led by Mrs. Dunn who also gave the aims of the program which were to show how Methodist doctrines and community centers contribute to life abundant.

Mrs. Allen Pool discussed community centers and a poem, "It's Up To You". Others taking prayer in the program were Mrs. George Dunn, Mrs. Dave Burken, and Mrs. Walter Wilson.

The business session was presided over by Mrs. George Dunn. The group decided to bring gifts for exchange at the December meeting. Lunch was served at the close of the business meeting.

During the afternoon Mrs. Allen Pool conducted the first lesson of Bible study, "Christian Being and Doing". This is a study of the epistles of James and I

they're half an hour, or even 45 minutes late, but folks who say they'll be home "around midnight" and then trail in at 3 a.m. should pay some sort of penalty.)

(2) Nonmembers of the family who are "added" to the sister's care at the last minute should not be looked after free. (This goes for neighbors and relatives who leave their children to "play" with those in the sister's care.)

(3) Everything a sister is expected to do should be spelled out. Sisters shouldn't be expected to do the laundry just because there is a basket of clothes to be ironed and the children have been put to bed.

If sisters and those who hire them had a better understanding of the above mentioned, everyone would be a lot happier.

NEEDED BUT CHEATED
Troubled? Write to Abby, Box 69700, Los Angeles, Cal. 90069. For a personal reply, include a stamped, self-addressed envelope.

For Abby's booklet, "How to Have a Lovely Wedding," send \$1 to Abby, Box 69700, Los Angeles, Cal. 90069.

Mrs. Cy Miller Is Hostess For Eva Eldridge Meeting

The Eva Eldridge Circle of the Woman's Missionary Society of the Hazel Baptist Church met Monday evening, November 7, in the home of Mrs. Cy Miller for the purpose of a book study on the Mission Work in the Himalayas.

Mrs. Gene Miller opened the study with a prayer.

The book entitled "Beneath the Himalayas" was taught by Mrs. Velma Reynolds, with special prayers being led by Miss Beale Bailey, Mrs. W. A. Porter, and Mrs. J. B. Dover.

Other circle members present were Mrs. Joe Jackson, Mrs. Glen Barnett, and Mrs. Floyd Barrow. The group enjoyed the refreshments served by the hostess.

The next session will be held Wednesday, November 30, at 1:30 p.m. at the home of Mrs. Pool.

Nine members enjoyed the beautiful potluck lunch and the gracious hospitality of Mrs. Burken.

Fashionettes

The three-quarter length coat makes fashionable coverage for many suburbanite or college coed. Sample, a double-breasted version in sturdy cotton corduroy. It has a wide shawl collar that turns up into a hood.

Fishing Reports from various sections differ slightly. This is the way we received them:

Most of Blood River — Crappie and bass being taken on minnows and Shyster lures. The warm breeze is credited with causing the unusually good fishing conditions for the past five days.

Cypress Creek — Mr. Morgan reports that extremely windy weather has prevented fishermen from going out.

Lake Reports from several sections indicate that bass have been hitting minnows and Shyster lures very well until November 9th when winds prevailed extensively.

Mrs. Ruth Padgett of Almo and Mrs. Ila Perry have been averaging about four days fishing per week. Each of them has been taking the limit of large mouth bass. Mrs. Padgett uses the white Shyster lure. They report that most all the fishermen that they saw were also showing a good catch.

LARGE MOUTH BASS — Some using lures, others using minnows. However Wednesday, Nov. 9th, they were unsuccessful as winds were too high. Most fishermen started moving out until less windy conditions prevail. The bigger fish seem to have been biting best, as most of the fish taken were approximately two pounds. Thank you, ladies, and we're hoping for the pictures soon.

BLACK CRAPPIE — "Devil's Elbow! Where is that?" That is the reaction we get everywhere. Have we any ex-riverboat pilots or barge pilots among us? Bet they can tell us for sure. According to our story, this treacherous bend was once a pilot's nightmare. We don't know what is legend and what is fact, but we would be extremely interested in any information on this. Readers, please check with any "ole timers", historians or anyone who may be able to deny or confirm this colorful name. We like the story and have a vivid mental picture of a captain maneuvering this tricky bend. Devil's Elbow! You'll admit it make a good story. This is the area Mrs. Padgett and Mrs. Perry have been taking their bass.

Mr. Don Maupin of Ryan Ave. bagged his deer this season. He doesn't mind anyone knowing he got a 6 point buck. He took him on the Management Area. Congratulations sir! Sorry we didn't get a picture of you and your prize.

Quail Season opens November 17th and closes January 31st. The daily limit will be 10 with a possession of 20 after two days or more of hunting. Additional open season for specific sections are: West Ky. Area, Dec. 7-Jan. 31; Land Between the Lakes, Nov. 21-Dec. 31. Incidentally, these are Management Areas! Check your laws again!

A successful quail hunt depends largely on the hunter's ability to recognize good quail territory, the use of thoroughly trained dogs, and the use of knowledge gained from experience.

Speaking of quail . . . we had a nice talk with Paul Butterworth. As most of you know, Paul is an "ole pro" of many (we aren't saying how many) hunting seasons. He tells us quail are in abundance this year with all signals "go" for hunters, although he doesn't participate as actively now as in the past, his specialty remains quail and rabbit hunting. Thank you, sir!

Rabbits . . . would you believe? You boys may reasonably expect a more bountiful supply of "cottontails" this season and for this reason you have been granted 15 days more hunting season than last year. Opening date is November 17, closing date Jan. 31.

In the early part of the season it is even more difficult to say where rabbits are likely to be found, as they often change their resting place overnight, due to Kentucky's unpredictable weather. For whatever it's worth we will pass on a few general rules for the "roumsters or inexperienced" in our group. Naturally the "rabbit hunting veterans" who know these and most other habits of our tricky-hopping friends.

Extremely dry weather may force them into creek bottoms and along small streams. Should we experience some unseasonable warm weather they can often be found out in open fields in small tufts of grass. Heavy cover will always produce some rabbits and should be hunted hard during cold and blustery weather.

Many hunters still use the old-fashioned way of walking up rabbits, however hunters using Beagle hounds will average about three to one over the other method. The Beagle hunter will also retrieve many cripples that would be lost by the leg hunter. Don't shoot! The experts said that. It would be very interesting to hear from both type hunters.

Rabbit hunting will be allowed on Areas 2, 3 and 6 of West Kentucky Management Area, Dec. 1-March 15. We are informed that Beagles (or rabbit dogs of any type) are not allowed on management areas. We again caution you — check your regulations again with special emphasis on where dogs may be used.

The 1966-67 daily bag limit will be 8 with a possession of 16 after two or more days of hunting.

This bit of news surprised us, our theory being: Food, heat and even water could conceivably become scarce but never powder. How wrong can we be? Ammunition experts tell us the shortage is already becoming noticeable, especially the most popular sizes of shells and cartridges. Later in the season many of these will be even more scarce, if not impossible to find. A Fulton dealer says that last week they failed to deliver several cases of 10 and 12 gauge shotgun shells he had ordered. All aspects of the Viet Nam conflict would seem to be the cause of, or a contributing factor, in the shortage.

May we suggest, lay in a good supply with ample reserve — just in case. As we said, it's inconceivable to us, but so say the experts!

Keep your powder dry! A safe and successful hunt is our wish to you. Good luck!

FIREMEN ASK . . .

(Continued From Page 1)

he realized that the present year's budget had already been made up, that he hoped that the council would study the request for next year's budget. He pointed out that fire fighting is dangerous and that a minimum of \$300.00 per month is needed for a family of three.

City salaries have been raised steadily during the tenure of Mayor Ellis with salary increases being made nearly every year.

The salaries of City Firemen were raised again last year on the following scale:

Position	1965	1966
Chief	\$316.67	\$341.67
Captains	286.00	300.00

SIGMA DEPT. . .

(Continued From Page 1)

first home for the school. In the seven years that followed the City School System provided homes for the kindergarten in what ever space that it had available, shifting it from Austin, to Carter, and then to Robertson Elementary school.

Then in August 1964 a committee from the Sigma Department headed and encouraged by Mrs. Bethel Richardson, met with George Hart of the Bank of Murray and the local school board heard the purpose to furnish the city schools the money to build a permanent room for the kindergarten at the Robertson Elementary school. At this meeting it was agreed that the board would construct, the bank would finance and the members of the Sigma Department would raise \$7,000.00 to pay for the construction of that all important room.

That fall in 1964 under the direction of the Sigma Department chairman, Mrs. James Boone, and finance chairman, Mrs. Bob Ray, the Sigma Department membership divided into groups, each with a project. Included were: sponsoring the beauty contest for the Junior at the County Fair, serving dinners to the P. T. A. workshops, selling Christmas cards and preparing dinners for the Rotary and Lions Clubs. That fall \$1,000.00 had been raised and the kindergarten room built.

In January 1965 the Sigma presented the first of their two productions of "Sigma Capers". To the delight of the department, Capers was an over-whelming success and the back note was afterwards almost half retired.

During the 1965-66 club year, the Sigma under the leadership of the new chairman, Mrs. Don Keller, continued the projects. Christmas Card sales, the beauty contest and plans for the next Capers all adding the "cause" and slowly paying the \$7,000.00 note off.

Mrs. John Gregory, 1965-66 chairman put things moving quickly this fall and in October the Department presented "Sigma Capers '66". Once again the citizens of Murray lent their support, opened their pocket-books and made the Capers a financial success.

And now the dream has become reality and it was with great pride and satisfaction of a job well done that, the original committee who borrowed the money in 1964, were able to go to Mr. Hart and to pay the \$7,000.00 note off in full this past week.

The kindergarten is now permanently established in its home at Robertson Elementary and has been recognized as one of the finest pre-school groups in the state. It will "float no more". New equipment consisting of the most modern, up-to-date, things possible now equip the school. Trolley tables, stack chairs, individual lockers, a slide projector, handcraft tools and many types of educational toys are just a part of the things the children enjoy.

The kindergarten is divided into two sessions with 25 children each. The first class begins at 9:00 a. m. and ends at 11:30. The second class runs from 12:30 until 3:00. The tuition of \$15.00 per child a month, pays the teachers salaries, buys school supplies, daily snacks and crackers, and weekly readers for each child. The kindergarten secretary, a Sigma member, keeps the books, handles all the finances and purchases needed items for the school.

The kindergarten is indeed fortunate to have two qualified teachers present at each session. Mrs. Donnie Foust, who has been with the school since its beginning in 1955 and who proudly states that her "first children" are this year's high school seniors, and Mrs. Shirley White who joined the school this past year, make up the teaching staff.

Fantasy has turned into facts and the dream come true; but, the success of Sigma Kindergarten should not be measured entirely by dollars and cents but by the fact that there have followed the lead and Murray now has four such pre-school organizations and the educational level in our community has thus been raised. Thanks to you, Mr. Citizen for your support and stands off to the Sigma.

FIREMEN ASK . . .

(Continued From Page 1)

Firemen with some service . . . 280.00 300.00

New Firemen . . . 250.00 265.67

Apparently City Firemen wish to be paid at least a minimum of \$300.00 per month with higher positions in the department to be raised accordingly. They also wish to have longevity pay for service with the department.

One City Councilman said that if the request was met it would bankrupt the city. Another indicated that a payroll tax on the wage earners of the city would be the only way that the request could be met. He said that those signing the petition for the increase in pay would be touched by a payroll tax also.

Mayor Ellis said last night that the only way for the city to pay its employees is through the tax revenue which it raises.

The 1966 budget calls for expenditures of \$6,120.00 in salaries for the city fire department. The increases asked for would raise this expenditure to the area to \$6,500.00 to \$6,000.00 a year.

Mayor Ellis also told those present last night that it would be impossible to raise city revenues without raising other departments of the city in a similar manner.

The city just has so much money to operate on, he continued, and when this money is exhausted, then there just is no more.

In other action the second reading was given to two ordinances, one forming the new Planning Commission and the Board of Zoning Adjustment and the other giving the intent of the city to annex larger areas on the south and southwest to the city.

The council will meet on Monday, November 28 for its second meeting this month since Thanksgiving falls on the normal meeting date.

The council approved the leasing of a building owned by Lester Plastering Company on Cross Street for use of the Murray National Gas System. Its present storage facility on North Fourth Street will no longer be available. The building will be leased for up to five years at the rate of \$200.00 per month.

Two street lights will be added at Glendale Road and 16th Streets.

Mayor Ellis reported that the Kentucky Inspection Bureau, the agency which sets fire insurance rates for the city of Murray, is pleased with the proposed annexation to the city, however they did request the layout of water lines in the area.

Police Chief Brent Manning reported the citations issued over the past two weeks. They are as follows: speeding 30, public drunkenness 2, DWI 3, no operator's license 10, reckless driving 7, drinking in public 2, running red light 11, passing on yellow line 2, going wrong way on one way street 5, improper registration 3, and removing parts from vehicle 2.

FREE KITTENS — Free kittens, two calico female kittens, eight weeks old. Phone 753-7390.

Fifth Generation Of Family Born This Month At Hospital

Little Miss Tronda Jean Parrish is the fifth generation in her mother's family. Mrs. William Junior Parrish, 510 South 6th Street, Murray. She was born November 2 at 10:02 p. m. at the Murray-Calloway County Hospital and weighed 7 lbs. 13 1/2 oz. The baby's father died February 21 of this year.

Members of the five generations are Tronda Jean, Mrs. Parrish, Mrs. H. L. Silger of Chicago, Ill., R. B. Beane of Murray Route Three, and Mrs. Susie Beane of Murray Route One.

Mrs. Parrish has two sons, William Terry, age nine, and Michael Lynn, age five. Grandparents of the new baby are Mr. and Mrs. W. G. Parrish of Murray Route Three and Mr. and Mrs. H. L. Silger of Chicago, Ill. Great grandparents are Mr. and Mrs. R. B. Beane of Murray Route Three and the great grandmother is Mrs. Susie Beane of Murray Route One.

Final Rites For Mrs. Armstrong Today

Final rites for Mrs. Edgar Armstrong are being held today at two p. m. at the Stinking Springs Baptist Church with Rev. John Pippin officiating. Burial will be in the church cemetery.

Pallbearers are Paul Lassiter, Dexter Puckett, Otha Clark, Robert Clark, Roy Hartfield, and Frank Enoch.

Mrs. Armstrong, age 68, died Wednesday at the Murray-Calloway County Hospital, and is survived by her husband, three daughters, three sons, and two brothers.

The Miller Funeral Home of Hazel is in charge of the arrangements.

Police Chief Brent Manning reported the citations issued over the past two weeks. They are as follows: speeding 30, public drunkenness 2, DWI 3, no operator's license 10, reckless driving 7, drinking in public 2, running red light 11, passing on yellow line 2, going wrong way on one way street 5, improper registration 3, and removing parts from vehicle 2.

FREE KITTENS — Free kittens, two calico female kittens, eight weeks old. Phone 753-7390.

MSU Rifle Squad Is Downed Saturday

Murray State's varsity rifle team met West Virginia, America's top-ranked rifle squad, Saturday, and almost knocked them off. The final total showed the Virginians with 1,106 points to Murray's 1,078.

The West Virginia squad is always ranked at or near the top, and Murray's relatively inexperienced team was very impressive against such stiff competition.

Major Charles Larimer, Rifle Team Coach.

He added that the match was just an experiment on Murray's part, just to see how the young Murray team would fare against the best in the nation.

Tom Hargrington led Murray's marksmen with a 273. He was followed by Nancy Sowell with a 272, D. O. Jones at 268, and Joe Waska at 265.

Miss Clara Eagle On Kiwanis Program

The Kiwanis Club heard a discussion and saw slides by Miss Clara M. Eagle, Head of the Art Division of Murray State University Fine Arts Department at their regular meeting held last night. With the aid of colored slides, Miss Eagle explained the Seven Seas program which is actually a floating division of Chapman College of Orange, California.

Aboard the ship for the four months cruise were students from 37 different states and 7 foreign countries. The world and its people become the laboratory for the students. Classes are held aboard the ship while sailing and field trips, including visits to foreign universities, provided international experiences.

Miss Eagle, through the aid of pictures, stressed some of the problems which are facing the Southwestern Asia countries, particularly by India. Other slides showed parts of the world recently visited by President Johnson and his party.

Police Chief Brent Manning reported the citations issued over the past two weeks. They are as follows: speeding 30, public drunkenness 2, DWI 3, no operator's license 10, reckless driving 7, drinking in public 2, running red light 11, passing on yellow line 2, going wrong way on one way street 5, improper registration 3, and removing parts from vehicle 2.

FREE KITTENS — Free kittens, two calico female kittens, eight weeks old. Phone 753-7390.

Fire At Bruce Garland Home Today

Bruce Garland's home at 1623 College Farm Road was damaged by fire this morning about six o'clock, according to Chief Flavil Robertson of the Murray Fire Department.

Robertson said a hamper of clothes had been placed too near the gas furnace causing it to catch on fire and it in turn caused the wall to catch on fire.

Two trucks answered the call and the booster was used to extinguish the flames.

Damage Reported At Service Station

Approximately one hundred dollars worth of damage was reported to the oil dispenser that was run over at Monk's Service Station yesterday afternoon, according to the Murray Police Department.

The person who ran over the dispenser was not given on the police records.

Citations were issued to persons for unnecessary noise, no operator's license, and reckless driving by the City Police on Thursday.
